This is done so that we may maintain the same number of students in the technique class and showcase the accomplishments made during the year. THE FOLLOWING ARE MANDATORY FOR ALL TEAM DANCERS:

- 1. SUNDAY** Rehearsals or another day of the week dancers **must wear all black.**
- 2. ATTEND EVERY** team rehearsal during the week prior to any competition. The exception for this will be if the team or teachers are out of town or at another competition.
- 3. ALL JANUARY and FEBRUARY REHEARSALS ARE MANDATORY.** The only exceptions are illness, injury or death in the family.
- 4. Re-staging rehearsals when needed.** These occur when a dancer is ill, has a family obligation or leaves the dance team and is unable to participate in an upcoming competition.

ATTENDANCE POLICY

The **TEEN SYNERGY DANCE TEAM** is a **ONE YEAR** commitment. If a dancer chooses to leave the team at any point during the 2022-2023 year, there will be a penalty of **\$300-500** to cover the cost of instructor salary to re-stage performance pieces.

1. **TEEN SYNERGY DANCE TEAM** members are required to attend all team class times as well as their corresponding technique class. They are expected to come dressed and on time.
2. Dancers will be allowed to make up technique classes during another similar class (please see Kari or website for class times and for approval); however, all classes must be made up within that same month. Competition rehearsals **WILL NOT** be made up and dancers must learn the material from another dancer in that class to allow for maximum use of time with the entire team present.
3. Team members will be allowed to miss **three (3) pre-approved rehearsals**. Exceptions to this would be student/family illness, family death and pre-approved school functions. If a dancer misses more than 3 rehearsals, **without prior approval**, he/she will be removed from the class with no refund of fees. A penalty of **\$300-500** will be incurred to cover the cost of instructor salary.
4. If a dancer misses a rehearsal **FOR ANY REASON**, they **MAY** be asked to do a "MAKE UP REHEARSAL" with the instructor whose dance they missed. The cost for these rehearsals varies depending on the instructor's salary.
5. Dancers **must** record upcoming absences due to vacations, school functions etc. at least 2 weeks prior to any rehearsal (when available) in our TEAM APP and email Kari at kari@synergydancemadison.com, the teacher who is running the dance and Erin at erinc@synergydancemadison.com. Failure to do so will be considered an 'unapproved' absence.

DANCERS ARE NOT ALLOWED TO MISS TEAM REHEARSALS FOR THE FOLLOWING REASONS:

1. Attending a NON-GRADED school function (Poms, sports, clubs, etc.)
2. Attending another Class/Competition not sponsored by Synergy Dance Academy

CONSEQUENCES FOR EXCESSIVE UNAPPROVED ABSENCES/DANCER ILLNESS or INJURY

1. Will be decided upon by the studio owner, teachers, and choreographers on a case-by-case basis. Consequences may include removal from a section of a piece(s), removal from a piece(s) entirely, etc. All class and rehearsal absences are reviewed periodically and play a large factor when deciding a dancer's inclusion/exclusion for a piece(s) in the current and/or following team year.
2. If a dancer becomes ill, is unable to attend a competition, or decides not to continue with the competition class, he/she is required to pay for the costume. If another dancer decides to take his/her place, they may sell their costume to them for no more than 75% of the original cost. Please keep in mind that these dancers work together as a unit and if one dancer is missing, it affects not only the staging of the routine, but group morale as well. It takes a great deal of time and effort to re stage a routine, so please be respectful of the time and effort of the dancers and instructors in order to make up for absences.
3. If a dancer is injured and no longer able to participate with the **TEEN SYNERGY DANCE TEAM** the remainder of the team balance for the year will be voided. However, any competition fees and costume fees already paid for and prior class fees will **NOT** be refunded.
4. Any dancer who has another dancer fill in for them for a competition will pay that dancer's competition fees.

FEES

The cost to participate on the **TEEN SYNERGY DANCE TEAM** is **\$900** for the year. This cost covers the following:

1. *Choreographer planning and piece setting (does NOT cover guest choreographers)*
2. *Weekly rehearsals*
3. *Additional Choreographer assistance*
3. Each dancer is required to have a SYNERGY warm-up jacket, which costs approximately \$100-130 depending on the jacket. We also have team make up and earrings which cost approximately \$130.
4. **COSTUME FEES:** Members must pay the costume(s) invoice by deadline. If costume fees are not paid by the deadline SYNERGY DANCE ACADEMY will automatically charge the costume fees to the credit card on file.

COMPETITION FEES:

1. Members will pay entry fees for all competitions entered by the deadline date published by SYNERGY. All SYNERGY DANCE TEAM MEMBERS MUST have a credit card on file. If competition fee is not paid by the deadline, SYNERGY DANCE ACADEMY will automatically charge the entry fee to your account. Competition fees are payable to SYNERGY DANCE ACADEMY by check or in cash.
 2. **IF PAYMENT IS NOT MADE BY THE DEADLINE DATE THE STUDENT WILL ***NOT*** PARTICIPATE IN THAT COMPETITION/CONVENTION.**
 3. Competition dates/entry fees will be posted in the studio as soon as the information becomes available.
 4. All entered routines will incur a \$5 per entry fee to cover administrative costs.
 5. All convention fees will incur a \$20 fee to cover administrative costs.
2. **DELINQUENT ACCOUNTS:** Accounts must be in good standing in order to compete. Competitions may NOT be entered if there is an outstanding balance on your account. If there is a balance on your account, any payments made will be applied to reduce that balance *first*. Payments for competition will be used for competition entry ONLY if your account balance is up to date. Otherwise, payment will be applied to reduce your balance. Accounts must be up to date, and competition fees paid, by or before a competition's payment deadline date.
3. **It is imperative that all payment deadlines and responses to staff requests are handled within the stated deadline(s). Due to continued concerns over this we will be adding a \$25.00 PER DAY charge for ALL LATE FEES and late responses to Team App surveys and email requests. This also includes all "declined" credit card fees. The additional time spent tracking down missing payments, survey responses and following up with declined payments costs the studio time and money.**

CONDUCT

As a member of the Dance Team, you represent yourself, your family, and the entire Synergy Dance Academy dance community. We applaud you for conducting yourself in a mature and responsible manner!

1. The dancer agrees to maintain academic grades that are acceptable to their parent's standards. As per parental discretion, a dancer will be granted a one-month leave of absence, if necessary, **with no penalty to put scholastic obligations in order**. The dancer will be fully responsible to make-up any work/choreography when continuing with the program.
2. The dancer agrees to have proper hygiene and cleanliness at all times, and to abide by the dress code when required. Bright hair dyes are not allowed for competition.
3. The dancer agrees to refrain from illegal and non-prescription drugs, steroids, or any other substance used to increase physical development, as well as consumption of alcohol, and use of tobacco.

Appropriate body language/demeanor and discussions, verbally or posted online, will be appropriate, positive and becoming of a dancer in this studio. Inappropriate conduct will NOT be tolerated and will result in removal from the class with **NO REFUND**. Any dancer failing to comply with these rules will receive one warning from the instructor and a conference with said dancer's parent(s) or legal guardian(s) before being dismissed from the group. **A \$300-500 per dance, fee will be applied to cover the cost of re staging.**
7. Choreography and staging take a lot of creativity, effort, and time. Out of respect for our choreographers, we ask that you not post team music mixes or choreography videos, whole or in part, online in any form.

MASTER CLASSES/WORKSHOPS

*TEEN DANCE TEAM members are encouraged to take part in other workshops in order to enhance their dance experience; however, attendance is not required at ALL events, but highly encouraged. All master classes offered by Synergy are required**

REGARDLESS of whether a student takes that style dance or not. Students unable to participate due to illness or injury are still required to pay the Master Class fee as these are set based on our total team enrollment.
